The  
Wahigan  
1970

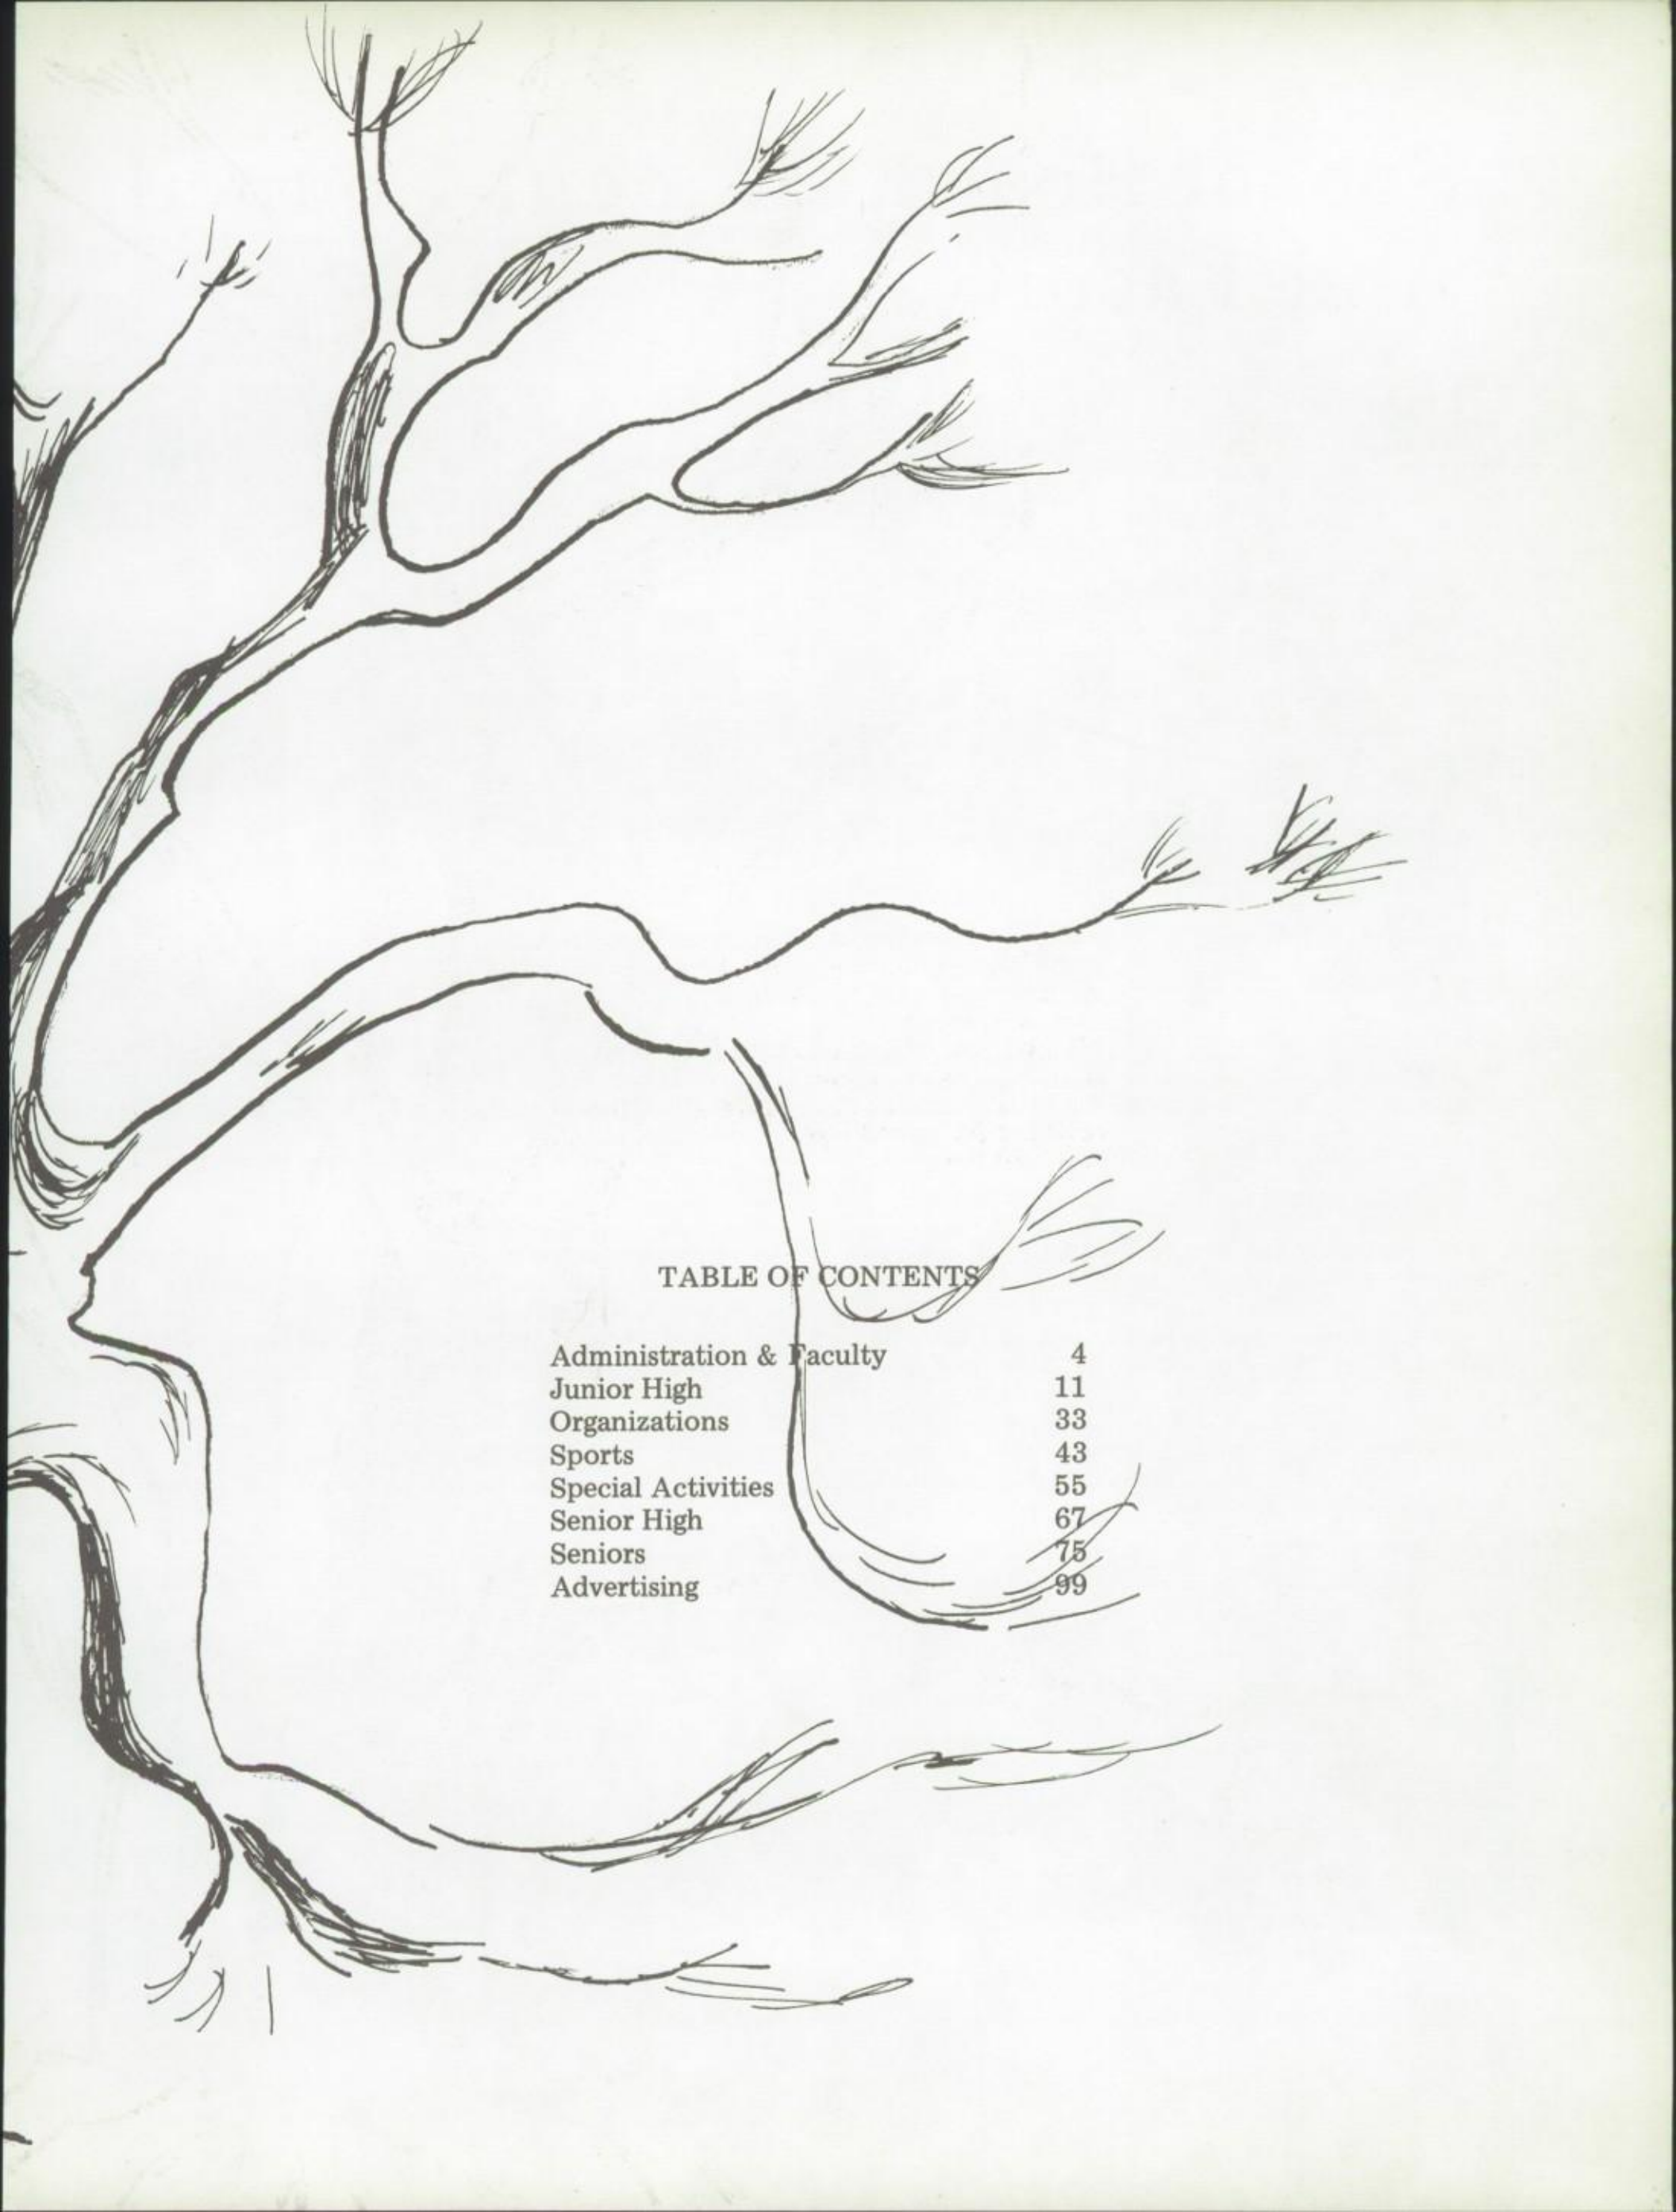

During our years at Watkins we have seen  
mankind reaching for new horizons—  
We have seen man reach the moon and we  
have seen more—  
We have seen man's reaching for under-  
standing, man to man—  
We have spent our days at Watkins forever  
reaching for knowledge, victories, happiness  
and fulfillment—

## Singing Brings Joy ...

The choir and ensembles brought honor to Watkins many times this year by receiving very high ratings in various contests held during the year. Delighting everyone, they performed concerts, entered in state competition, and sang for numerous social events.

Both offices were combined this year for convenience and needed space in the Junior High. Girls working in the office must be educated in the art of: counseling, consoling, band-aid dispensing, answering service, information booth, secret keeper, bill collecting, mail man, parent-caller, registrar, stock boy, and through all this, one must keep smiling. That's quite a list of stiff requirements.

## Varsity Football

This years football season started out with four victorious games. However, as the season progressed, we experienced defeats due to injuries and the shortage of players. The Warriors made the home coming successful by defeating Northridge 2-7. Also, the team illustrated its ability in the last game of the season with Newark Catholic. The Warriors were one out of the two teams who scored against the Green Wave State Champions.

## Varsity & J.V. Cheerleaders

JUNIOR VARSITY CHEERLEADERS — D. Wood, B. Wood, G. Robinson, K. Mowrey.

The 1969—70 varsity and junior varsity cheerleaders have devoted a lot of their time boosting the spirit and morale of this school. Included in their busy schedules are projects which are usually overlooked, but are very essential. For instance, planning pep rallies, practicing the motions which later form a cheer, preparing the never-lasting Warrior head which appears in a hoop before each game, and designing the black-and-gold signs that sooner or later every athlete finds in his locker the day of the game. The job of a cheerleader is not an easy one, but the satisfaction of knowing that one contributed much to his school makes the honor of being a W.M. cheerleader worthwhile.

## Varsity **W**

Mrs. Mary Black is a woman with diversified interests. Besides caring for a family and a home, she enlightens students at Watkins Memorial in the field of mathematics. Sooner or later almost everyone has a chance to take some level of math from her. Admittedly, it is quite a challenge. With never failing regularity, there is at least a page of homework at night and of course the infamous Friday quizzes. The following Monday can often be almost as bad as Friday. But what a glorious feeling when at last a "10" appears on the top of the page. Besides grading piles of papers and giving help to lost students, Mrs. Black also finds time to be J.V. and Varsity cheerleader advisor. She attends games faithfully, backing our team with constant loyalty.

For all her help and dependability, the 1970 Wahigan Staff salutes Mrs. Black.

This has definitely been an active year for the honor society, from an induction ceremony that was organized and put on in front of the student body, to selling doughnuts and orange juice each morning. And finally plans were drawn up to make the court yard into a useful and beautiful area for the enjoyment of everyone. Members that worked on it can be very proud of the advancement made in one short year.

# Jr. And Sr. Prom

The Stoney Creek Country Club was the setting for the 1970 Junior-Senior Prom on May 9, and "A Time For Us" was the theme. The setting and theme were both perfect as couples arrived dressed in their evening gowns and tuxes. A delicious smorgasboard dinner was served from 7:30 to 9:30.

Think Football?

Romantic and lively music was provided by the Diapasons. Students, faculty, and administration alike enjoyed dancing the night away.

Old Man's Cave, Loudenville and canoing, and Rising Park were just a few of the most popular places couples found themselves the following day.

The 1970 Junior-Senior Prom was a most memorable one that the Juniors can be proud of — and the Seniors will never forget.

# There's Music In The Air

The concert band, under the direction of Mr. Todd Woods, participated in many fund-raising events. A Coney Island trip was the high-light of the concert season as the band arrived early one Sunday morning in Cincinnati for a day of concerts and fun. Free ride tickets were given to every band member and the entire afternoon was spent in the amusement park. An appreciation trophy was also presented to the band on behalf of the Coney Island band committee.

The Fine Arts Festival was a very successful event this year. Providing music for the enjoyment of everyone, the concert band, choir, and ensembles performed their best. Art projects were viewed in the junior high and many outstanding works of prose and poetry were exhibited for visitors to observe.

Mr. Woods directs the concert band at the annual Christmas concert.

Enroute to Coney Island, band members board the bus.

Gayly singing, the choir provides entertainment at the Fine Arts Festival.

## Eastland Vocational School

Although Eastland Vocational High School is not a very familiar subject around WM, the students from Watkins who have attended Eastland are very impressed and highly recommend for everyone to go to this vocational school. A wide variety of courses are available which fit just about every vocational trade. It is a known fact that after a two year training course at Eastland, one is ready to enter the business field without any further education.

The friends and classmates of Perry McDaniel were all deeply saddened by his death. Perry, a junior, left his school . . .

Down a road that was calm  
and peaceful, Guided  
by God's loving hand,  
He went upon a journey,  
To a distant, brighter  
land.

He wished no one a last

good-bye;  
He was gone before we knew

Seniors

Your senior year is definitely the most exciting and seems to go by faster than all your other school years.

All the excitement that goes along with football season seems to make the first few months go quickly. Marching band practices, the planning of pep rallies, Fall Homecoming, and then your last game as a Senior at Watkins all play an important part of the first few months of your senior year.

The Senior Class Play fills the gap between sports, but basketball and wrestling are here and gone before you know it.

Meetings of all kinds are held throughout the year: honor societies, Student Council, Class Officers, band and chorus practices, FNC, Spanish Club, FHA, Tee Pee Talk, Wahigan, FTA, Pep Club, and Varsity "W". Baseball and track round out the year in sports. The Jr.-Sr. Prom is looked forward to by all Seniors, and all those who attend are left with wonderful memories.

Besides all of these things, seniors must find time to study, and then there is always the question of college, business school, service, or marriage.

Your announcements arrive and the excitement of graduation is real. Breakfast, rehearsal, and the senior picnic are all held the same day. Finally graduation day comes and as you walk across the stage to receive your diploma, you find yourself being thankful for all Watkins has given you.

And now, to all underclassmen who find themselves reading this, good luck your senior year and may you sometime think of the class of "70."

As the tree is constantly growing and reaching toward sunlight, sky, and the heavens, we are aware of our own struggles and goals in life.

We now go forward, our days at Watkins over, but our reaching has just begun and — you have taught us how to reach.
